

Sytchampton Parents Forum

16th September, 2013

Dear Parents,

Our first forum will be held on Thursday 26th September from 8.50 – 9.45 am, however, I will move future meeting times around to offer as many parents as possible the chance to participate.

AIMS:

These meetings will have an agenda, minutes will be taken and they will follow the guidance of the 'Leading Parent Partnership framework', as recognised by Ofsted.

AGENDA:

1. The opportunity to view the Life Education Bus before pupils commence their sessions.
2. A presentation from Donna Davies on the introduction of pupil peer massage in schools.
3. The Leading Parents Partnership Award.
4. Options for School dinner pre-ordering.
5. Communication – what is the best method?
6. Consultation about the format of parents evenings.
7. Set dates and topics for future meetings.

Please return the reply slip below to give us an indication of the numbers of parents we should expect for our first Parent Forum meeting.

Many thanks

Mrs Williams
