

Sytchampton Endowed Primary School

26th February, 2018.

Dear parents,

Welcome back to our short Spring term 2, however, I did not expect to have **WEATHER WARNINGS** in place! The temperature is forecast to be very cold and there is a chance of snow so please ensure that children have appropriate clothing in school. If school is to close due to extreme weather, a text message will be sent by 7.15am so please keep your mobile phone switched on and to hand. If your number has changed recently please contact the office to ensure the number on file is correct. A reminder of procedures:

- Text message will be sent to the first contact listed for every child
- Pop up message on the homepage of our website announcing closure
- Worcestershire County Council will display a list of school closures on www.worcestershire.gov.uk
- Announcements on local radio

Events

This week is **World Book week**. This is a time to really celebrate the pleasure of reading in all its different forms and children have already received their £1 voucher which can be used this month.

- **Thursday** is our **Superheroes** themed dress up day – with prizes for a boy and girl from each key stage. Children are invited to dress up as anyone who has inspired them.
- Classes have also been decorating their class book corners: if you have any spare cushions, bean bags they would be appreciated. **The PTA** have also given each class some funding for new books and equipment.
- Friday is also Non – uniform day for donations of **Mother's day gifts**. The PTA have agreed that every child should have a small gift to wrap so your support is very much appreciated.
- **Friday is also the opportunity for KS1 parents to have an update on Statutory tests at year 2 and this will take place in Mr. Webster's class at 8.15am.** Children can attend WAC free of charge.
- There will also be **Celebration assembly on Friday 2nd March.**
- **Next Wednesday, 7th March** is also our **Mother's Day Secret room** - The PTA welcome anyone who can stay on at 9am and help with the wrapping. There will be no charge for the gifts and the children are encouraged to select a gift, have help wrapping it and then have to keep it safe until the big day (11th March)! A PTA meeting will also be held in school **on this day** at 8.50am in the staff room with the hope of encouraging more parents to attend and help support our school community and provide the extras for the children.
- Future events will be **Film Night** on 14th March and the **Easter** egg hunt on the 28th March and the Easter Hat parade on the last day of term, Thurs 29th March. Hats are to be made at home- older pupils may prefer to create an Easter model and these will be displayed.
- Easter will be the last bake off **for LLOYDS house.**
- **Friday 23rd March is SPORTS RELIEF** and our School Council are busy planning activities and fundraising ideas.

School Grounds: Now that the weather is improving, if anyone is willing to help tidy up our garden and forest school area could they please let the office know. Thank you to Mr Grimshaw for repairs to fence and hopefully a reduction in molehills.

Thank you for your continued support,

Sharon Williams
