Dear Parents/Carers,

At Sytchampton Endowed Primary School, children are involved in testing and tasting food in a number of subjects often linked to our topics.

Please complete the form below to advise us that your son/daughter can taste or handle any types of food, or alternatively provide us with FULL details of any allergies or food intolerances that we need to be aware of.

If the form is not returned, your child will not be permitted to take part in the relevant activities.
