Dear Parents

7<sup>th</sup> November 2017

## Data Protection Act 1998: How we use pupil information

We collect and hold personal information relating to our pupils and may also receive information about them from their previous school, local authority and/or the Department for Education (DfE). We use this personal data to:

- support our pupils' learning
- monitor and report on their progress
- provide appropriate pastoral care; and
- assess the quality of our services

Information held by school will include their contact details, national curriculum assessment results, attendance information, any exclusion information, where they go after they leave us and personal characteristics such as their ethnic group, any special educational needs they may have as well as relevant medical information.

We will not give information about our pupils to anyone without your consent unless the law and our policies allow us to do so. If you want to receive a copy of the information about your son/daughter that we hold, please contact Mrs Jenny Bishop, School Administrator.

We are required, by law, to pass certain information about our pupils to our local authority (LA) and the Department for Education (DfE). DfE may also share pupil level personal data that we supply to them, with third parties. This will only take place where legislation allows it to do so and it is in compliance with the Data Protection Act 1998.

For more information on how this sharing process works, please visit:
