

# Primary PE and Sport Premium 2018-19

The government have confirmed the PE and Sport Premium will continue to be paid to primary schools until 2020. In the academic year 2018-19, Sytchampton Primary School will received **£16,860** as part of this initiative. The Government emphasises that this funding should be used to make sustained improvement. Recent parent surveys ( Oct 2017) 100% agree with the varied breakfast and afterschool activities on offer and the rich curriculum provided by our small village school.

There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer (CMO) guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement;
3. increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. broader experience of a range of sports and activities offered to all pupils;
5. increased participation in competitive sport.

## VISION

**In line with our Vision statement of 'Ready, steady, grow' we believe that all children should have the opportunity to understand how sport, exercise and healthy diet affects their well- being. We aim to encourage participation into a range of sports and activities and celebrate achievements both in and outside school.**

Schools have the freedom to utilise the funding in a variety of ways. Our staff were consulted as to how they felt about PE, how they would welcome support in delivering the PE curriculum and how we could further enhance the provision and opportunities offered to our children.

Currently all pupils receive at least 2 hours PE in lesson time per week ; plus an additional 15 mins at play in the morning and 45 mins play at lunchtime. Pupils have massage time and are active within some lessons (15mins). 227 sessions of after school activity clubs attended in 2017/18 AND THIS WILL BE REVIEWED FOR 2018/19 **KEY INDICATOR 1**

## Swimming

Children are taught to swim from year 3 and have 20 weeks per year. In Yr 6 in 2018-19 we have a small cohort of 5 pupils and aim for 100% to achieve the curriculum requirement to swim competently, confidently and proficiently over a distance of 25m. using a range of strokes effectively and perform safe, self -rescue in different water based situations.

At Sytchampton we have selected to invest this funding in 2018/19 in the following ways:

### Specialist Teaching:

PE co-ordinator is supporting staff across the school to deliver PE; staff now felt confident to deliver PE lessons that challenge and stimulate all pupils regardless of their physical ability and motivation for sport. Staff have also had the opportunity to work alongside specialist coaches giving them targeted professional development opportunities. The PE coordinator is encouraged to attend PE liaison meetings, and build upon her subject leader role through district training. Silver Games award achieved in summer 2018.

Planning for all staff has also been enhanced by purchasing a scheme of PE planning, across all key stages : 'The Power of PE' and this has been trialled for the Autumn term and very well received by all staff.

**Target 2018/19 : To evaluate new scheme of work and assessment for PE .**

**See example below:**

Explanation of P.E Assessment Policy

Each year group works towards the development of key areas, these key areas are found in the supplied 'P.E Outcomes'.

### **The Power of P.E! P.E Outcomes for Year 1**

1. Throw and catch displaying a degree of competency, in isolation and in varied environments
2. Demonstrate changes of direction, level & speed
3. Show an awareness of how the body functions/changes during exercise
4. Repeat and Perform sequences of movements
5. Displays development in the FUNdamentals of movement (Jog, Sprint, Jump, Hop, Weight on Hands, Balance & Coordination)
6. Uses FUNdamentals of movement to achieve success in competitive environments, individually and as a team
7. Show competence in one stroke when swimming
8. With guidance participate displaying respect, fair play and working well with others

### Sports Partnership:

The **Droitwich Cluster Sports Partnership** enables our pupils to experience competitive and non-competitive sporting activities in a varied range of sports. We pay for the services of a Pyramid Link Teacher to organise events and training. Our pupils have the opportunity to compete against local schools in regional competitions, which offers a valuable experience in participating in activities and environments that cannot be replicated in school. In many cases, these activities serve as excellent opportunities for our pupils to integrate with pupils from other settings whom will eventually become their peers at secondary school. These experiences show that with a targeted approach our pupils can raise their self-esteem, self-belief and interest in sporting activities which positively impacts upon their learning within school. We also compete with **local private schools** and have now developed links with primary schools in the area, now that we have a year 6 cohort. See attached appendix of events attended. **Target 2018/19 : To further develop upper KS2 fixtures in a range of sports.**

**Pictures show: Football skills and KS1 Gymnastics festival hosted at Sytchampton**

**Sports Coaching:** After-school clubs are offered to all pupils. These enable pupils to experience and enjoy various sports that they may otherwise not participate in. Pupils are enthusiastic regarding the opportunity to participate and effective relationships are developed between the pupils involved. We use a combination of specialist coaches and our own teachers and play supervisors.

The increase in funding as enabled us to evaluate other providers to enhance our lunchtime offer and try other external providers .

**Target 2018/19 : To further develop the range of sports/activities on offer at lunchtime and after school.**

**Lunchtime Active Play:** We have invested in equipment to improve physical activity at lunch and play times. One play supervisor is employed to organise games and activities and encourage all pupils to participate in physical activity and games. We also aim to improve part of the playground to create a safe ' all-weather' area for KS1 and after school club.

**Target : Further develop activities and develop play leaders with a larger group of Yr6 pupils**

**CHILDREN ENJOYING OUR EXTENSIVE GROUNDS.**
